Bridge Program

Bridge Program Session 1 is offered from March 14 – June 4, 2016 and Session 2 is offered from June 13 – 21, 2016.

Bridge program covers topics across grade level and gives a very good overview and understanding of topics in upcoming grade.

Our popular Bridge Program that was offered only in summer has now been extended to be offered in two sessions as shown above. Bridge Program spans over 11 sessions.

Not having an Ed Gurukul Center near you?

No problem. Most of the classes are offered through our *TabEd application*. Please ask us for more information.
